I heard about this one from a Canadian. Yesterday in the AM I was passing a local grocery store and I saw a customer who was browsing the aisles. He was a short, 50's middle-aged man with a lightish

complexion. I saw this particular man somewhere else at the grocery store and saw that he had cut his head. The cut wasn't bad, but it was quite noticeable. I made eye contact with him and asked if he was ok. He replied and said that he needed to go home and get his bandages. He was wearing a baseball cap and I got an impression that he wasn't feeling well. In other words, he looked uncomfortable. I told him I understood. He started to leave the store and I continued to browse.

And then I had a
