A lottery is a game of chance by which one may gain possession of prizes ranging from small cash prizes to large jackpots, by buying tickets from an authorized entity. The authorized entity retains a record of each person's ticket, as well as their purchase history and entries they have made in various drawings. In conventional lotteries, a number of tickets are printed and then randomly drawn. A player may either purchase his or her own tickets, or may buy tickets for others, who may or may not be authorized to make entries on tickets purchased for them. Lotteries are generally conducted by drawing large pools of tickets for each drawing. Typically these tickets are printed in large sheets, with the tickets in each sheet, and the sheets
