Tales of the Abyss 2.01.1.37 - Tales of the Abyss is an action-adventure RPG platform game in which you have to go to a mysterious world on the other side of reality. Here, on the verge of two worlds, there are many amazing creatures that are just waiting for you to save them. You will not be the only game piece. In addition to your hero, there will be many other characters in this world, each of them with their own goals that they need to complete in order to return to their world.
