Srimad Bhagavad Gita (Marathi). Based
on Bhaktivinod Thakur's commentaries,
the Srimad Bhagavad Gita is the most
influential guide to spiritual self-
knowledge. As you read, you will feel
liberated from delusion. It is an excellent

guide for anyone seeking self-
knowledge, including newcomers who
are just beginning to learn about the
philosophy of Lord Sri Krishna. It is not
a story, not a poem, not a novel.
