
Imagin Raytracer Crack [32|64bit]

Imagin Raytracer Crack License Keygen [Mac/Win]

The Imagin Raytracer is a light-weight raytracing software program for Windows PC. It is a raytracing program that employs both simple and complex ray tracing algorithms to calculate the numerous effects that light sources give to images. Most ray tracing programs have specific features, graphics and lighting capabilities. Imagin Raytracer is a compact and powerful ray tracing application, which will make it easier for you to get accurate results when creating pictures. It can be used to create images and animations. It is a free application that you can use without any restrictions. However, it is possible to pay to have a number of features unlocked. It is designed for 2D graphics, only. Basic Features:

- 1D and 2D (Vector) ray tracing, based on the Z-buffer algorithm.
- Ability to create images with overcast, dark and other types of lighting effects, with or without shadows.
- Many image and movie effects.
- Create images and movies with all images and animations unlocked, with and without shadows.
- Support for scene nodes and 3D and 2D objects.
- Support for 3D screen-space and screen-space reflection mapping.
- Support for multiple monitors.
- Ability to render a 3D object with more detailed subdivision as well as with more complex geometry.
- Ability to generate realistic noise, fractal lighting and dynamic animation.
- Ability to save images and movies with your own effect, title and other settings.
- Ability to save images and movies to PNG or JPG files.
- Support for 8- and 10-bit images.
- 3D and 2D mouse events.
- 256 colors and true-color images and animations.
- Possibility of creating animated videos with your own titles and audio.
- Possibility of working on more than one image or movie at the same time.
- Ability to create animations with transitions, keyframes, loops and other useful functions.
- Ability to draw simple 2D and 3D menus.
- Ability to easily create floating windows.
- Ability to quickly create screen-space reflections for images and movies.
- Ability to compare your images and movies for different light sources, with and without shadows.

Imagin Raytracer Crack + License Code & Keygen [Mac/Win]

Imagin Raytracer is a raytracing application. It is easy to use and has many powerful features. The raytracing engine implements many physics support: - Rigid Body, Box, Sphere, Torus, Cylinder, Curve, Convex Hull, Mesh - Physics - Sensors - Reflection - Shadow - Fog - Beams and other simple shaders The raytracing engine contains 8 shaders, a 3D renderer, a 2D engine, a camera simulator, and a Python interpreter that can be used to create shaders. With the Python interpreter, the user can manipulate the scene and write an application to perform image-rendering. Imagin Raytracer User interface: Imagin Raytracer features a simple user interface. - Simple settings and animation - Main menu with 9 levels - Shortcuts - Quick settings and render - File menu with import and save - Window menu with scale, move, and resample - Render menu with record, project, and edit - Help menu with help and information Imagin Raytracer Icon: Imagin Raytracer is a application for rendering real-time 3D images. You can create realistic images of landscapes, scenes, and animations. It is a simple, powerful, and easy-to-use raytracing application. Imagin Raytracer Application Features: Imagin Raytracer has 8 raytracing engines. - Box - Sphere - Torus - Cylinder - Mesh - Curves - Convex Hulls - Reflection - Physics Imagin Raytracer has a python interpreter. - Python - Runtime - Renderer - Camera - Material - Shader Imagin Raytracer is fully functional, an easy-to-use application.
