The effect of methyl chloroformate on thiocyanate and cyanide action on erythrocytes is investigated. The results show that methyl chloroformate alone, but not formaldehyde, dramatically increases the susceptibility of cells to thiocyanate and cyanide. The enhancement of thiocyanate action by methyl chloroformate is almost the same as that of formaldehyde. Amnesia, Glaeval and Ziana Tova will be around for a little while longer. They played today at Camp For A Cure. I wondered if he'd be able to make a cameo. Then all of a sudden I had to drag him to the bus. That's the truth! But it's awesome. He's in the crowd and then he sees Jaya and thinks they're gonna cheer and I'm like, "Seriously!" I think he's in tears. Tyler Gross of the GR8CHOPE will be on Thursday, Friday and Sunday. Date and Time Location Description The Big Picture will now be held every Saturday instead of Sundays at the Bosa Beer Company. We appreciate the community's support and will be back to the point that we were before the change. Please mark your calendars for the next one, which will be July 14th at 4pm. Moments at Midway, a Chicago company that works with military veterans, announced that they will be turning out its first-ever, "hacker smartwatch," essentially a computerized version of the classic wristwatch. Developed in partnership with Carnegie Mellon University and the U.S. Army's Non-Lethal Weapons program, the device will be previewed at the Consumer Electronics Show in Las Vegas in January.

While the title of this web comic may sound like it has potential, unfortunately it suffers from a bit of cheesiness. For those of you with no sense of humor, you can check out the original The Only Thing That Could Stop Justin Bieber here. Thanks to Lacey for finding it! This comic seems like it was meant to be funny. But people seem to be taking it seriously. Why do people take this stuff so seriously? I'm sure it's because of his wealth and access to all kinds of technology. And while this is funny as hell, I really don't think it's anything near the severity of, say
