77, 83, 88, 95, 101, Description DC6 is the original Nokia 3310! This version of the phone comes in three colors. No charger or battery is needed! The device does not need to be charged. In addition to the usual phone features, this model includes a calculator, a voice recorder, a multimedia player, a clock, a beeper, a Bluetooth speaker, and three games. Five games are available to download: Beat the Clock,

Canasta, Memory, Sudoku, and Word Search. If you like to surf the web, there is a special feature called Web Expert that allows you to view pages from your PC. If you want to keep your notes, keep a diary, or even take pictures, a digital camera with a QVGA resolution and a 3.2 MB memory card is included. MicroSD memory cards allow you to add even more memory for up to 8 GB! As with other Nokia phones, you can add telephone numbers to your address book and listen to music on your own PC.. The lock-screen does not appear if you try to unlock your phone without using the unlock code. If you want to change the default number, you can do it by calling 0800-700-100 and following the instructions. Screenshot About this product The calculator can be used only for 1D or 2D signals. Its format is 512 x 512 pixel. This model only has two decimal places. It has a built-in beeper function. It has an integrated
